Findings

Good Practice Principles	Description of compliance with the Principles
<p>1 The Buyers and Sellers of digital display advertising shall ensure that the transaction is one pursuant to either (a) a Primary Agreement or (b) the specific terms and policies within an agreed or signed contract.</p>	<p>Buyers that sign the Inskin Media Insertion Order (IO), agree to the Advertisers Terms & Conditions. The IO also includes a link to the Brand Safety page on the Inskin Media website.</p> <p>Inskin Media has some agencies who use their own IOs and separate T's & C's.</p> <p>Inskin Media has signed agreements with Publishers.</p>
<p>2 A Primary Agreement, or the specific terms and policies within an agreed or signed contract, should include the Buyers and Sellers' intention as to where the advertising should (or should not) appear.</p> <p>The Buyers and Sellers should select from one or both of the following means to minimise ad misplacement:</p> <ul style="list-style-type: none"> A. Independently-certified (to JICWEBS standards) Content Verification (CV) tool (criteria agreed between the Buyer and Seller pre-delivery); or B. Appropriate / Inappropriate Schedules (criteria agreed between the Buyer and Seller pre-delivery). 	<p>The Inskin Media IO specifies the audience targeting instructions for the preselected vetted sites from Inskin Media's closed Publisher Network.</p> <p>Inskin Media have a closed Publisher Network and all campaigns are delivered against a tailored set of websites, which are agreed between Inskin Media and the client prior to the campaign start.</p> <p>Buyers that do not use the Inskin Media IO have their own IO's and T's & C's which make reference to targeting instructions and the use of appropriate / inappropriate schedules.</p>

Good Practice Principles	Description of compliance with the Principles
<p>3 Sellers should confirm the specific provisions applied to minimise the risk of ad misplacement, irrespective of whether inventory is sourced directly or indirectly. In the absence of specific provisions, then as a minimum, a statement of reasonable endeavours is required.</p>	<p>Inskin Media confirm reasonable endeavours in the Brand Safety Policy on their website.</p> <p>"Inskin Media is committed to providing outstanding customer service for our brand clients and publisher partners. We are dedicated to providing complete transparency and control over how brands appear around site content."</p> <p>A link to the Brand Safety Policy is included on Inskin Media's insertion orders & email signatures.</p> <p>This Brand Safety Policy is located here: http://www.inskinmedia.com/brand-safety.html</p>
<p>4 Sellers should be able to explain the process(es) that form the basis of specific provisions and/or the reasonable endeavours.</p>	<p>Inskin Media's Brand Safety Policy states:</p> <p>"In compliance with DTSG's Primary Agreement, Inskin only offers ad placements across a list of vetted sites."</p> <p>"All campaigns are tested, activated and monitored internally at regular intervals, for all of Inskin's formats across our entire portfolio of premium sites."</p> <p>"Inskin only works with premium publisher partners, with established reputations, grounded in strong brand values, credibility and trust."</p> <p>"Inskin is directly accountable for all new site integrations: no new publishers join our partner portfolio via a third party, and there is no syndication of Inskin placements to third party sites. All known sensitive content, or media non-compliant with DTSG's agreed principles, are excluded from Inskin's network via specific integration or keyword targeting"</p>
<p>5 Both Buyers and Sellers should understand any contractual consequences should they fail to monitor this process and respond appropriately to ad misplacement via take down.</p>	<p>Inskin Media's Takedown policy is included in their Brand Safety Policy on their website and states the following in relation to the take-down process and consequences:</p> <p>"In the eventuality that an ad should appear against content deemed inappropriate, Inskin will make every reasonable effort to take down this placement as soon as possible. All take-down requests received within UK business hours (Monday – Friday, 9am – 5:30pm GMT) will be actioned within two hours of confirmed receipt. The same process applies if an ad deemed commercially sensitive should appear on any of our publisher partners' sites."</p> <p>"The contractual consequences of not taking down an ad in accordance with our Take Down Policy are evaluated on a case by case basis. Contractual elements to this policy are IO specific."</p>

Statement of verification provider:

We have reviewed Inskin Media’s policies and procedures for minimising ad misplacement in accordance with the JICWEBS DTSG Good Practice Principles. Our enquiries were designed to independently confirm that the brand safety policies stated have been implemented and clearly documented where required. Our review did not extend to testing the effectiveness of any processes, procedures or controls for ad misplacement.

In our opinion, at the time of our review, Inskin Media had established policies to minimise ad misplacement as described in the JICWEBS DTSG Good Practice Principles.

About JICWEBS

JICWEBS (The Joint Industry Committee for Web Standards in the UK and Ireland) was created by the UK and Ireland media industry to ensure independent development of standards for measuring performance online and benchmarking best practice for online ad trading.

About Digital Trading Standards Group (DTSG)

The Digital Trading Standards Group (DTSG) is an UK industry body made up of representatives from across the digital display advertising ecosystem, including the buy- and sell-side. The DTSG is comprised of representatives from advertisers, agencies, agency trading desks, demand side platforms, advertising exchanges, sales houses, advertising networks, supply side platforms and publishers.
